

Please report set nets in the Tāmaki Estuary

Set nets are banned in the Tāmaki Estuary. Set nets indiscriminately catch non-target fish species; birds and mammals. There has been a recent increase in illegal set netting in the Tāmaki Estuary, please help protect our fisheries and other wildlife.

If you see a set net within the banned area:

Please urgently contact 0800 4 POACHER (0800 47 6224)

Please report the set net location details and any vehicle license plate. Photos and details can be emailed to ncc@mpi.govt.nz

Your kaitiakitanga will be appreciated by generations to come, kia kaha!
