Hi s9(2)(a)

Jake and I have caught up with Emma following the ministers meeting with Seafood NZ this morning about the Hauraki Gulf marine protection bill. Are you able to please send across what they tabled or is it the same as the proposal attached from a few weeks ago? With Emma being online, she wasn't 100% sure if the documents they shared in the meeting were the same as what we have seen already. Just looking to work up some more material for the Minister about the whole topic.

Thanks heaps!

Ngā mihi,
Kathryn
